

Who Should Attend?

Individuals in leadership roles who want to increase their effectiveness

Executives and senior-level managers

Mid-level or new managers or supervisors

Program Format

Organizations can choose how they deliver The SLII Experience, allowing learners to be more in charge of their learning journey beyond the classroom.

Learning Outcomes

LAUNCH—a portfolio of assignments to set the context for learning and engage learners in the content of SLII

LEARN—learning activities to teach leaders the three skills, the language, and the Six Conversations of a Situational Leader

PRACTICE—learning activities to develop new skills through robust skill practice, applying what was learned to real work

MASTER—strategies to deepen and extend the learning so that it becomes second nature to set SMART goals, diagnose development level, and use the matching leadership style
