

STRENGTHS-BASED TEAMS

DESCRIPTION:

Out of more than 18,000 personality traits, each of us develops a subset that becomes dominant. Contained within our overall personality are the specific traits that blend together to create our best and most authentic way to interact with others.

Using the **TalentProfiler™** helps companies have a more engaged workforce. Employees become more productive and fulfilled when they are recognized and appreciated for their unique contributions. This workshop provides powerful insights into each team member's ability to build relationships, explain ideas, and gain commitments.

EVENT OUTCOMES:

- Improves group morale & promotes team bonding
- Exposes existing team dynamics, challenges & behaviors
- Accelerates productivity by increasing team efficiencies
- Increase overall employee engagement & performance
- Demonstrates advantages of cooperation vs. competition

PROGRAM OBJECTIVES:

After this 1/2-day workshop, participants will be able to:

- Identify and define his/her top 12 talents
- Become more self-aware of their strengths & weaknesses
- Better appreciate & leverage the strengths of others
- Improve their conflict resolution & communications skills
- Identify what motivates them and their colleagues
- Effectively build trust with their colleagues
